## Book Your Booth for CCE 2010!

The Chinese market for cleaning equipment has developed most positively in the last few years and the eyes of the world are on Shanghai to see its business growing. The 11th China Clean Expo, as the leading exhibition for Asia's cleaning industry, will take place from March 29 to 31 at Shanghai New International Expo Centre. CCE has all it needs to provide you with an excellent business environment.

To Better coordinate the space demand over supply, the organizer sincerely requires your early completing and return of the registration from below.

Thanks for your great support and wish to see you again in CCE 2010!

**The 11th CHINA CLEAN EXPO**  
**March 29-31, 2010**  
**Shanghai New International Expo Centre**
