# Message from Association Leaders

## Yucai Liu / Former President / China Commercial Enterprise Management Association

Congratulations on a successful CCE 2026! We sincerely thank the organizers for their outstanding support of our association's events. We look forward to CCE's continued leadership in driving the industry toward smart maintenance and quality excellence.

## Jiming Wang / Former President / China Tourist Hotels Association

Congratulations on a successful CCE 2026! We thank the organizer for professionally bridging the gap across the industry chain. We look forward to your continued dedication in empowering the sustainable development of China's cleaning and hospitality sectors.

## Wei Wang / Deputy President / China Professional Managers Association

Congratulations on a successful CCE 2026! Thank you for bringing together global innovations and setting new standards in smart cleaning. We look forward to CCE's continued success in building a greener, smarter world for the industry.

## Yingbo Ma / Secretary-General / CSMA Stone Application & Maintenance Professional Committee

Congratulations on a successful CCE 2026! Thank you for showcasing global innovations and demonstrating CCE's value as an industry leader. We look forward to deepening our partnership to drive high-quality, international development and build a cleaner future through smart technology.

## Guangming Cui / General & Party Branch Secretary / STACAES

Congratulations on a successful CCE 2026! On behalf of the association, we thank Sinoexpo Informa Markets for building such a professional platform for industry growth and business connection. We wish all exhibitors and visitors a highly rewarding event filled with new opportunities and mutual success.

## Jialiang Zhai / President / Beijing Cleaning Service Association

Warm congratulations on a successful CCE 2026! As a key industry benchmark, CCE provides a vital platform for connection. We look forward to leveraging this event to foster innovation, enhance collaboration, and jointly drive the high-quality development of China's cleaning industry.

## Peier He / President / Zhejiang Cleaning Industry Association

CCE 2026 showcased the industry's latest trends and innovations, leaving us deeply inspired. We thank CCE for providing an excellent platform for collaboration. Looking forward to uniting our efforts, driving innovation together, and shaping a promising future for the industry.

## Yingyong Liu / President / Sichuan Cleaning Service Industry Association

CCE 2026 was a great success, showcasing top innovations and setting new directions. We thank Informa Markets for the professional platform and look forward to continuing our partnership to drive the industry's transformation.

# Message from Association Leaders

## Haipeng Tian / Secretary-General / Shenzhen Industry Association of Sanitation & Cleaning

CCE 2026 was a great success, showcasing top innovations and setting new directions. We thank Informa Markets for the professional platform and look forward to continuing our partnership to drive the industry's transformation.

## Rongyao Yu / Group Leader / Hotel Branch of Shanghai Tourism Trade Association

Kudos to a successful CCE 2026! Thank you, Sinoexpo Informa Markets, for the top-tier platform and for co-hosting our impactful forum on ESG and cleaning innovation. We look forward to continuing our partnership to empower the hotel and property industries toward a greener, high-quality future.

## Peiren Dai / Secretary-General / Hotel Branch of Shanghai Tourism Trade Association

Congratulations on a successful CCE! We thank Informa Markets for their outstanding support of our ESG Forum and for fostering valuable connections within the industry. We look forward to deepening our partnership to drive a greener future together.

## Bin Wang / Secretary-General / Shanghai Air Cleaning Industry Association

Congratulations on a successful CCE 2026! On behalf of the association, we thank the organizers and all participants. The innovations showcased have greatly empowered our industry. We look forward to collaborating with peers to enforce standards, ensure service excellence, and protect public indoor air health for a better future.

## Fang Wang / Secretary-General / Shanghai Indoor Contamination Control Industry Association

For over ten years, our association has proudly partnered with CCE. This year's co-hosted forum and competition were a great success, demonstrating top-tier industry skills and our commitment to high standards. We look forward to leveraging CCE as a key bridge to unite the entire industry supply chain, fostering collaboration and resource sharing to fuel continuous growth.

## Yiguo Qiu / President / Tianjin Clean Industry Association

Our heartfelt thanks to CCE and the organizers for creating a premier platform where our members can connect and learn. We wish the expo continued success in fueling the vibrant growth of the cleaning and sanitation sector!

## Hong Zhang / President / Beijing Building Facilities Maintenance Association

Congratulations on a successful CCE 2026! We thank the organizer for showcasing smart and green innovations and providing an excellent platform for business growth. Wishing the expo continued success in leading industry innovation and sustainable development!

# Message from Association Leaders

## Jianqing Zhang / Deputy Director & Secretary-General / Ningbo Hotel Association

We brought a delegation of over 160 hotel executives from Ningbo to CCE 2026. The team was highly impressed by the event's vibrancy and practical value for the hospitality sector. With high expectations for next year, we would like to express our sincere gratitude!

## Chaofan Xue / President / Nanjing City Appearance and Cleaning Association

Kudos to a successful CCE 2026! We thank Sinoexpo Informa Markets for the excellent platform empowering innovation. We look forward to collaborating with industry peers to build a bright new future together!

## Guanjun Li / President / Xi'an Cleaning and Sanitation Industry Association

As CCE 2026 kicks off, I extend my warmest greetings to all participants on behalf of the association! Our industry plays a crucial role in public health and urban quality. Let's use this platform to unite our efforts, foster collaboration, and promote advanced solutions for a safer, cleaner environment. Together, let's stay true to our mission, empower our work with technology, and create a brilliant future for the industry!

## Wenbing Yang / Founder & President / Fujian City Appearance and Environmental Hygiene Industry Association

Our heartfelt thanks to Sinoexpo Informa Markets and CCE for this premier platform. It has empowered our members to grasp the latest industry trends and learn from top peers nationwide. We wish the expo continued success in driving innovation and fostering the high-quality, healthy growth of our industry!

## Heng Liang / President / Hainan Cleaning Services Industry Association

Our sincere thanks to Sinoexpo Informa Markets for this premier platform of collaboration and exchange. It has empowered our members to grasp the latest industry trends and connect deeply with top peers across the country. Wishing CCE continued success in driving the high-quality, sustainable growth of our industry!

## Changsheng Ding / President / Anhui Cleaning Industry Association

Kudos to a highly successful CCE 2026! The event broke new records in brand quality and scale, featuring over 20 professional forums and competitions. It successfully built a global dialogue platform, introducing the latest smart solutions and technologies. Wishing the expo continued innovation and success in setting new industry benchmarks!

## Pinghua Tang / President / Henan Cleaning Industry Association

As CCE 2026 kicks off, I extend our warmest congratulations to this top-tier global event! Henan enterprises look forward to deepening innovation with global peers and exploring smart cleaning solutions for future cities. Let's work together, with a commitment to green and low-carbon development, to create a new era of improved living environments!

## Zhiqiang Xian / Secretary-General / Foshan Sanitation and Cleaning Industry Association

CCE is the industry benchmark in China. Our heartfelt thanks to Sinoexpo Informa Markets for empowering the sector and fueling its high-quality growth!

# Exhibitor Testimonials

**Kaiyun Yang**  
GM, Nilfisk Greater China

Nilfisk Greater China thanks the organizers and all visitors for a successful CCE 2026! We are excited to turn the insights gained from showcasing our smart and sustainable solutions into future collaborations. Here's to driving the industry's green development together. Wishing CCE continued success—see you in 2027!

**Rongfei Chen**  
Marketing Director, ICE Robotics

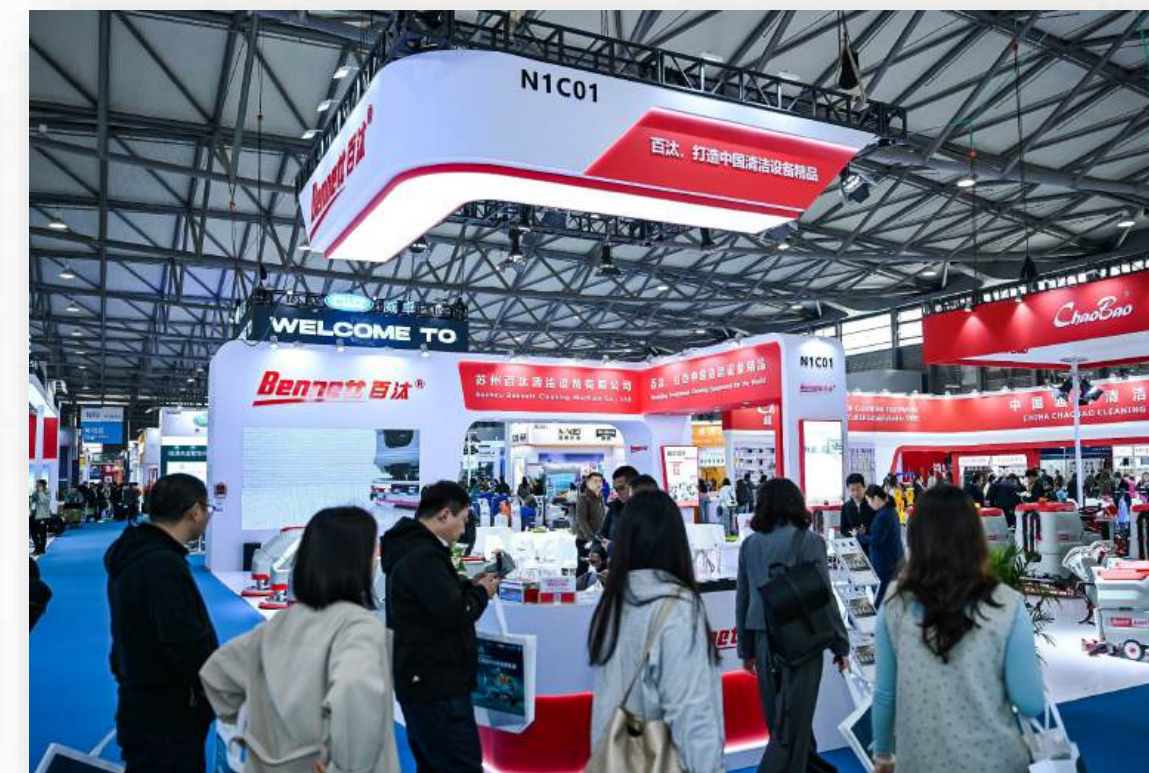

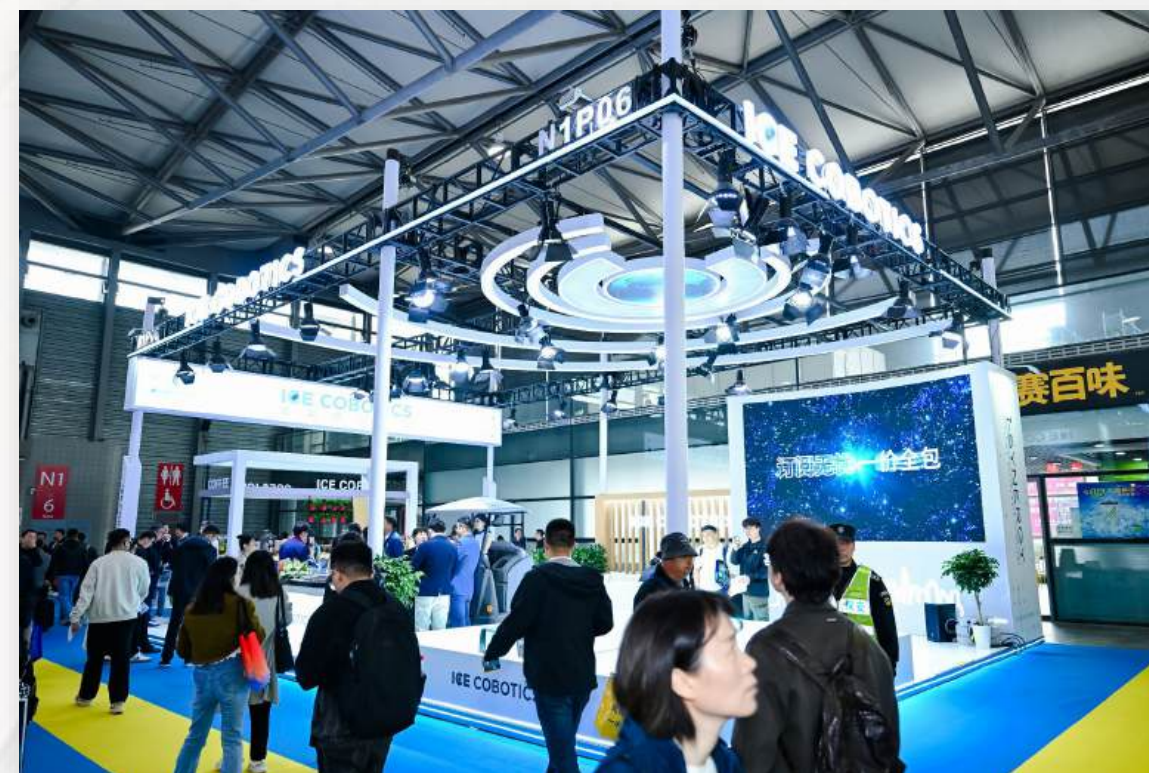

CCE 2026 showcased the industry's pragmatic evolution, with smart solutions and zero-carbon practices becoming the new norm. We are thrilled to see Chinese innovation accelerating globally. Cleaning is now about efficiency and responsibility. We look forward to working with peers and CCE to drive a greener future for a Beautiful China!

**Xiaoxia Shao**  
GM, Bennet

We are honored to join CCE again and explore the future with our industry peers. Over the years, Bennet has witnessed the platform's growth and the industry's evolution over the years. CCE is a premier international platform for showcasing brands and connecting with the market. We wish the expo continued success in leading trends and driving the Chinese cleaning industry forward!

**Pan Zhang**  
Sales Director, Tennant

As a premier industry event, we extend our heartfelt thanks to the organizers for a well-executed expo. We gained valuable clients, broadened our horizons, and learned from top industry practices. Wishing CCE continued success, and we look forward to deepening our partnership with the expo!

# Exhibitor Testimonials

## Xiaojuan Yuan CMO, Gausium

As a core strategic partner, CCE deeply understands the hard-tech sector and helps Gausium Robotics turn technical value into brand growth. With its outstanding global marketing capabilities, CCE helped us attract significant attention from overseas clients this year. We value this powerful partnership!

## Shirley Wang Senior SM, Rubbermaid China

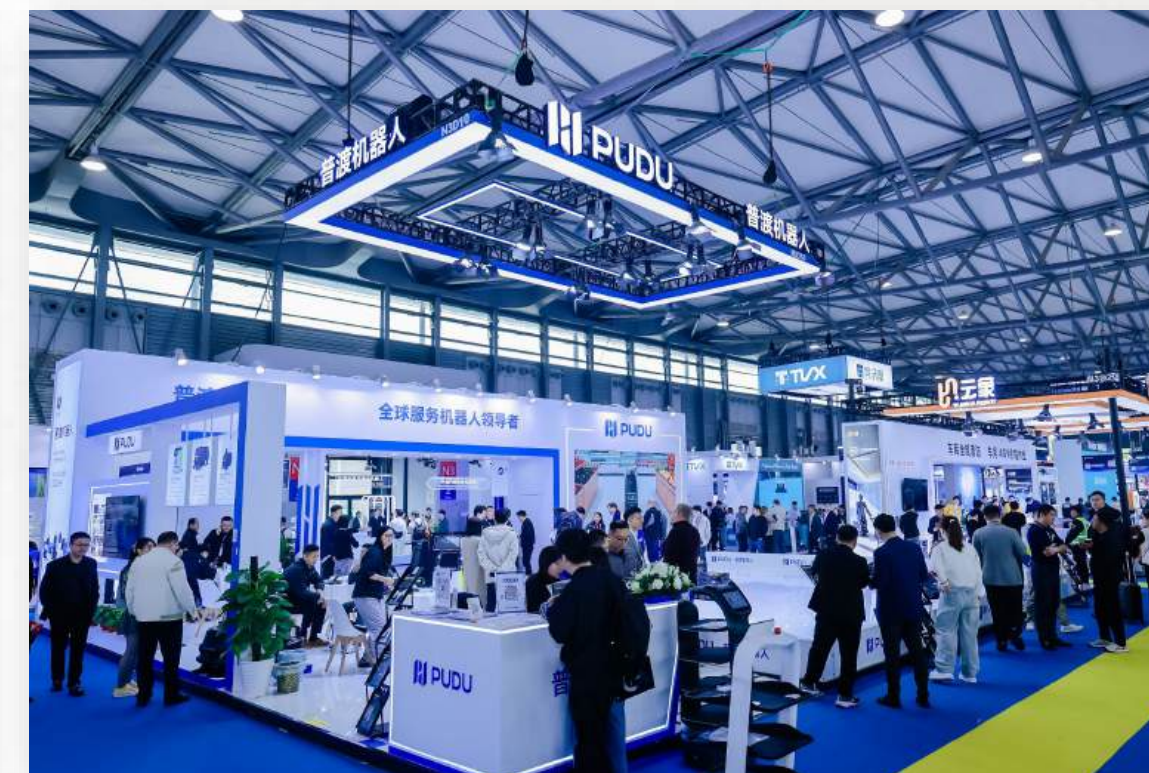

Congratulations on a highly successful CCE 2026! We thank the organizers for the opportunity to showcase our latest innovations. Rubbermaid Commercial Products will continue to develop durable, cutting-edge products and drive the high-quality growth of the cleaning industry.

## Cheng Bi PR Manager, Pudu

Pudu Robotics enjoyed a successful and bustling CCE in Shanghai! We showcased our CC1, MT1, and FlashBox series, catering to industrial, commercial, and hotel sectors. It was wonderful to connect with old friends and sign orders with new partners on-site. A big thank you to the organizers for their support. We can't wait to bring more innovative products to next year's expo!

## LAVOR Group

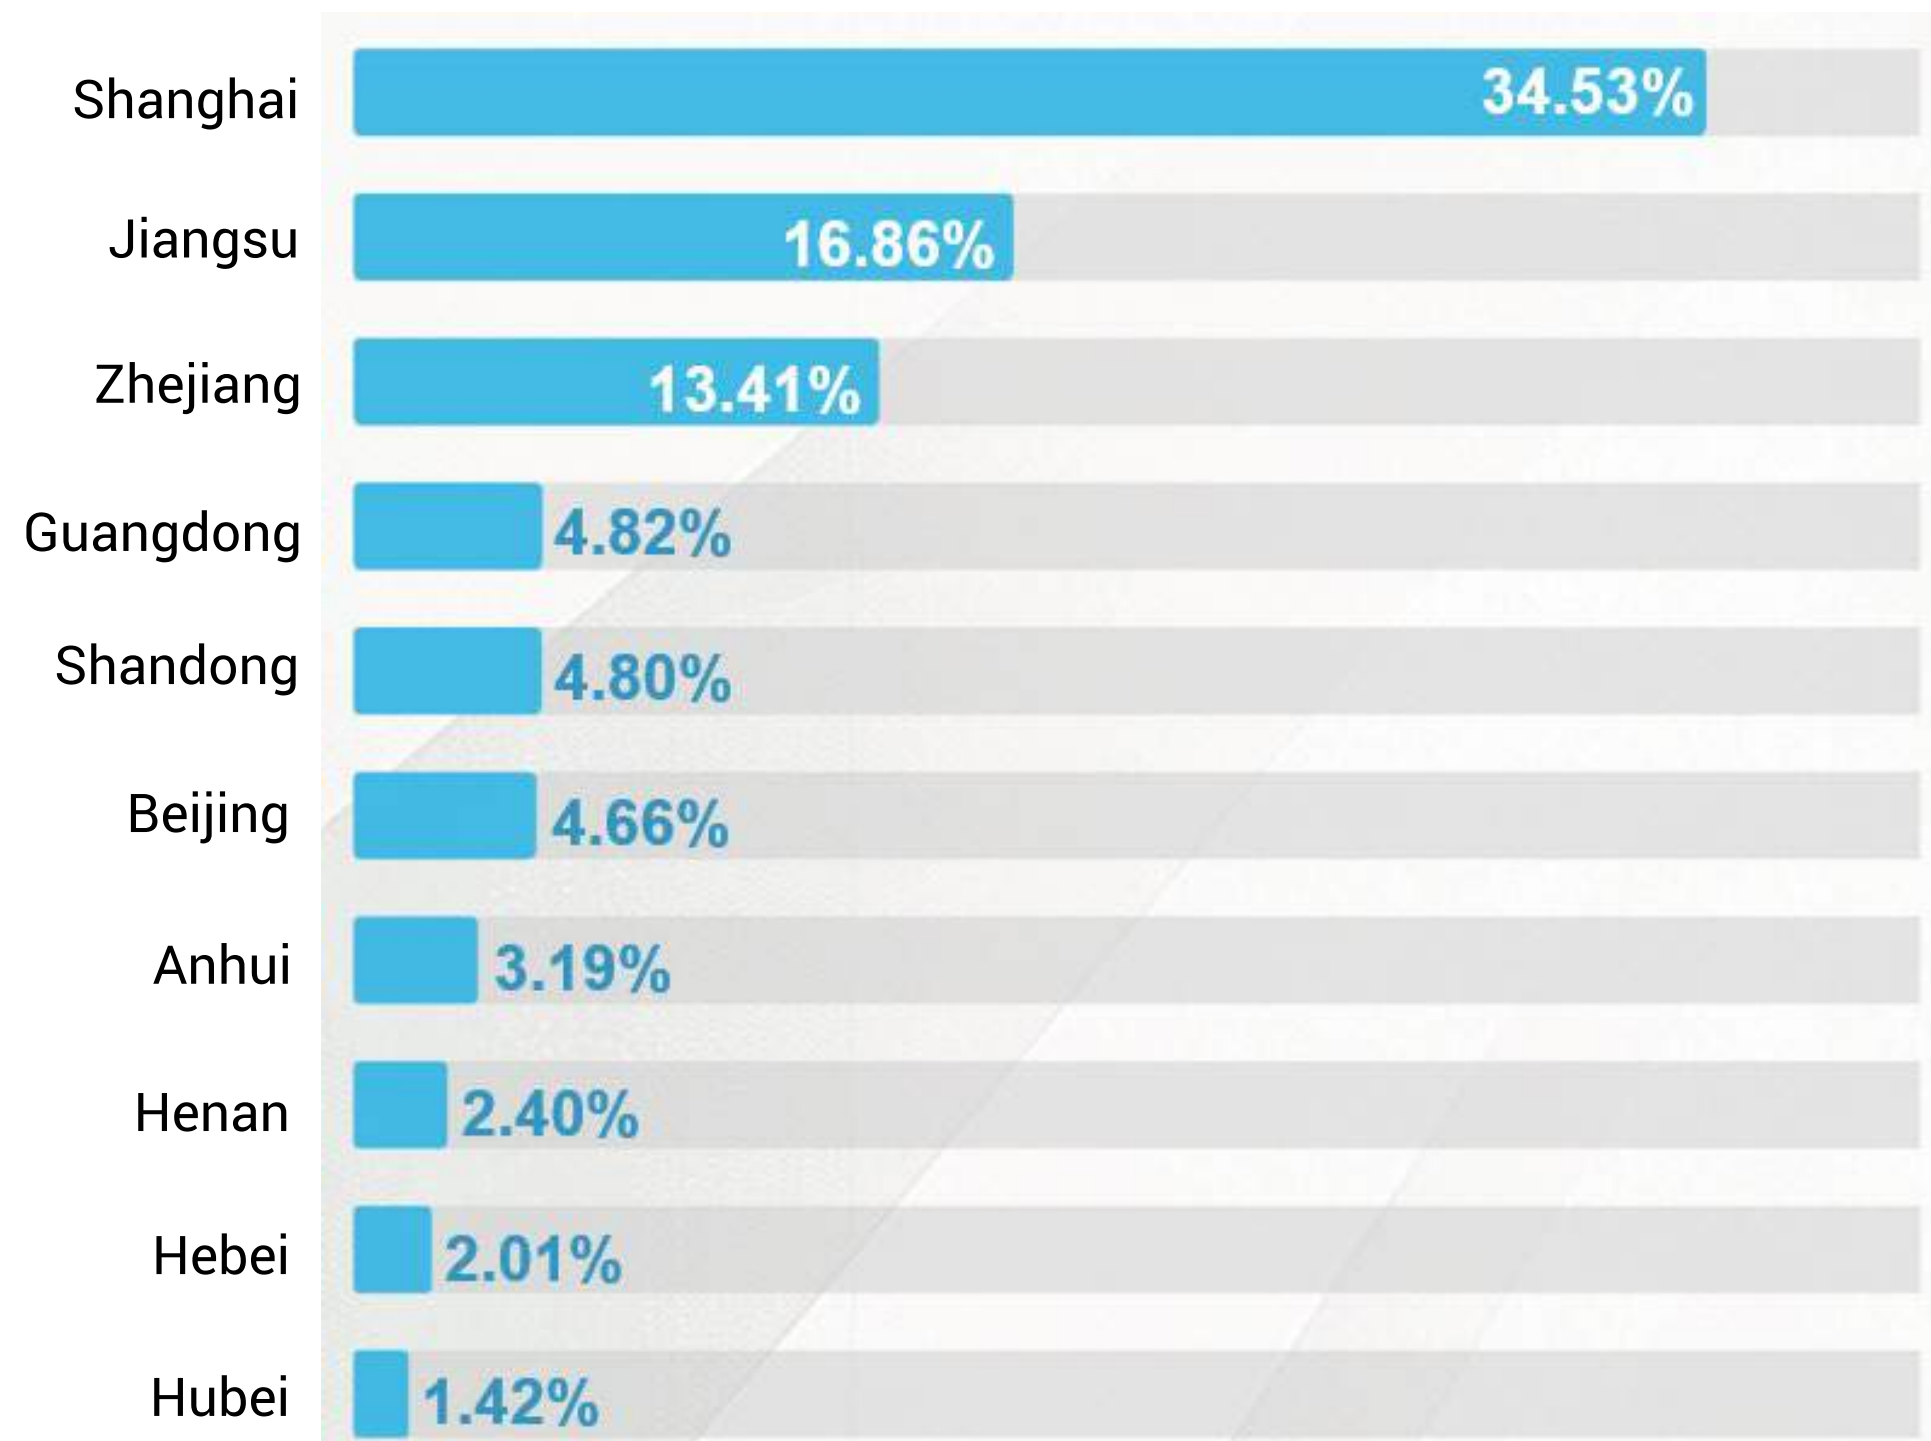

Congratulations on the grand opening of CCE! LAVOR is honored to showcase our full range of residential and commercial cleaning solutions, highlighting our brand's technological strength. This is a vital opportunity for our market growth. We wish CCE continued success and look forward to partnering with the expo to drive innovation and create a prosperous future for the cleaning industry!

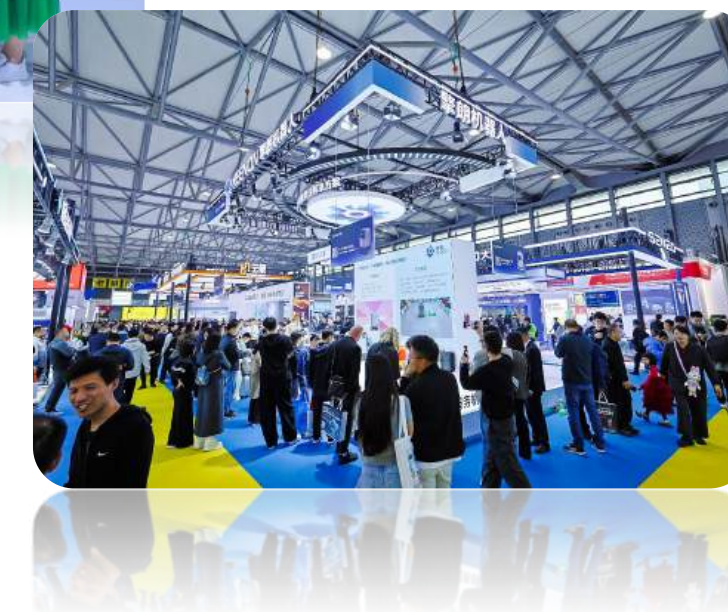

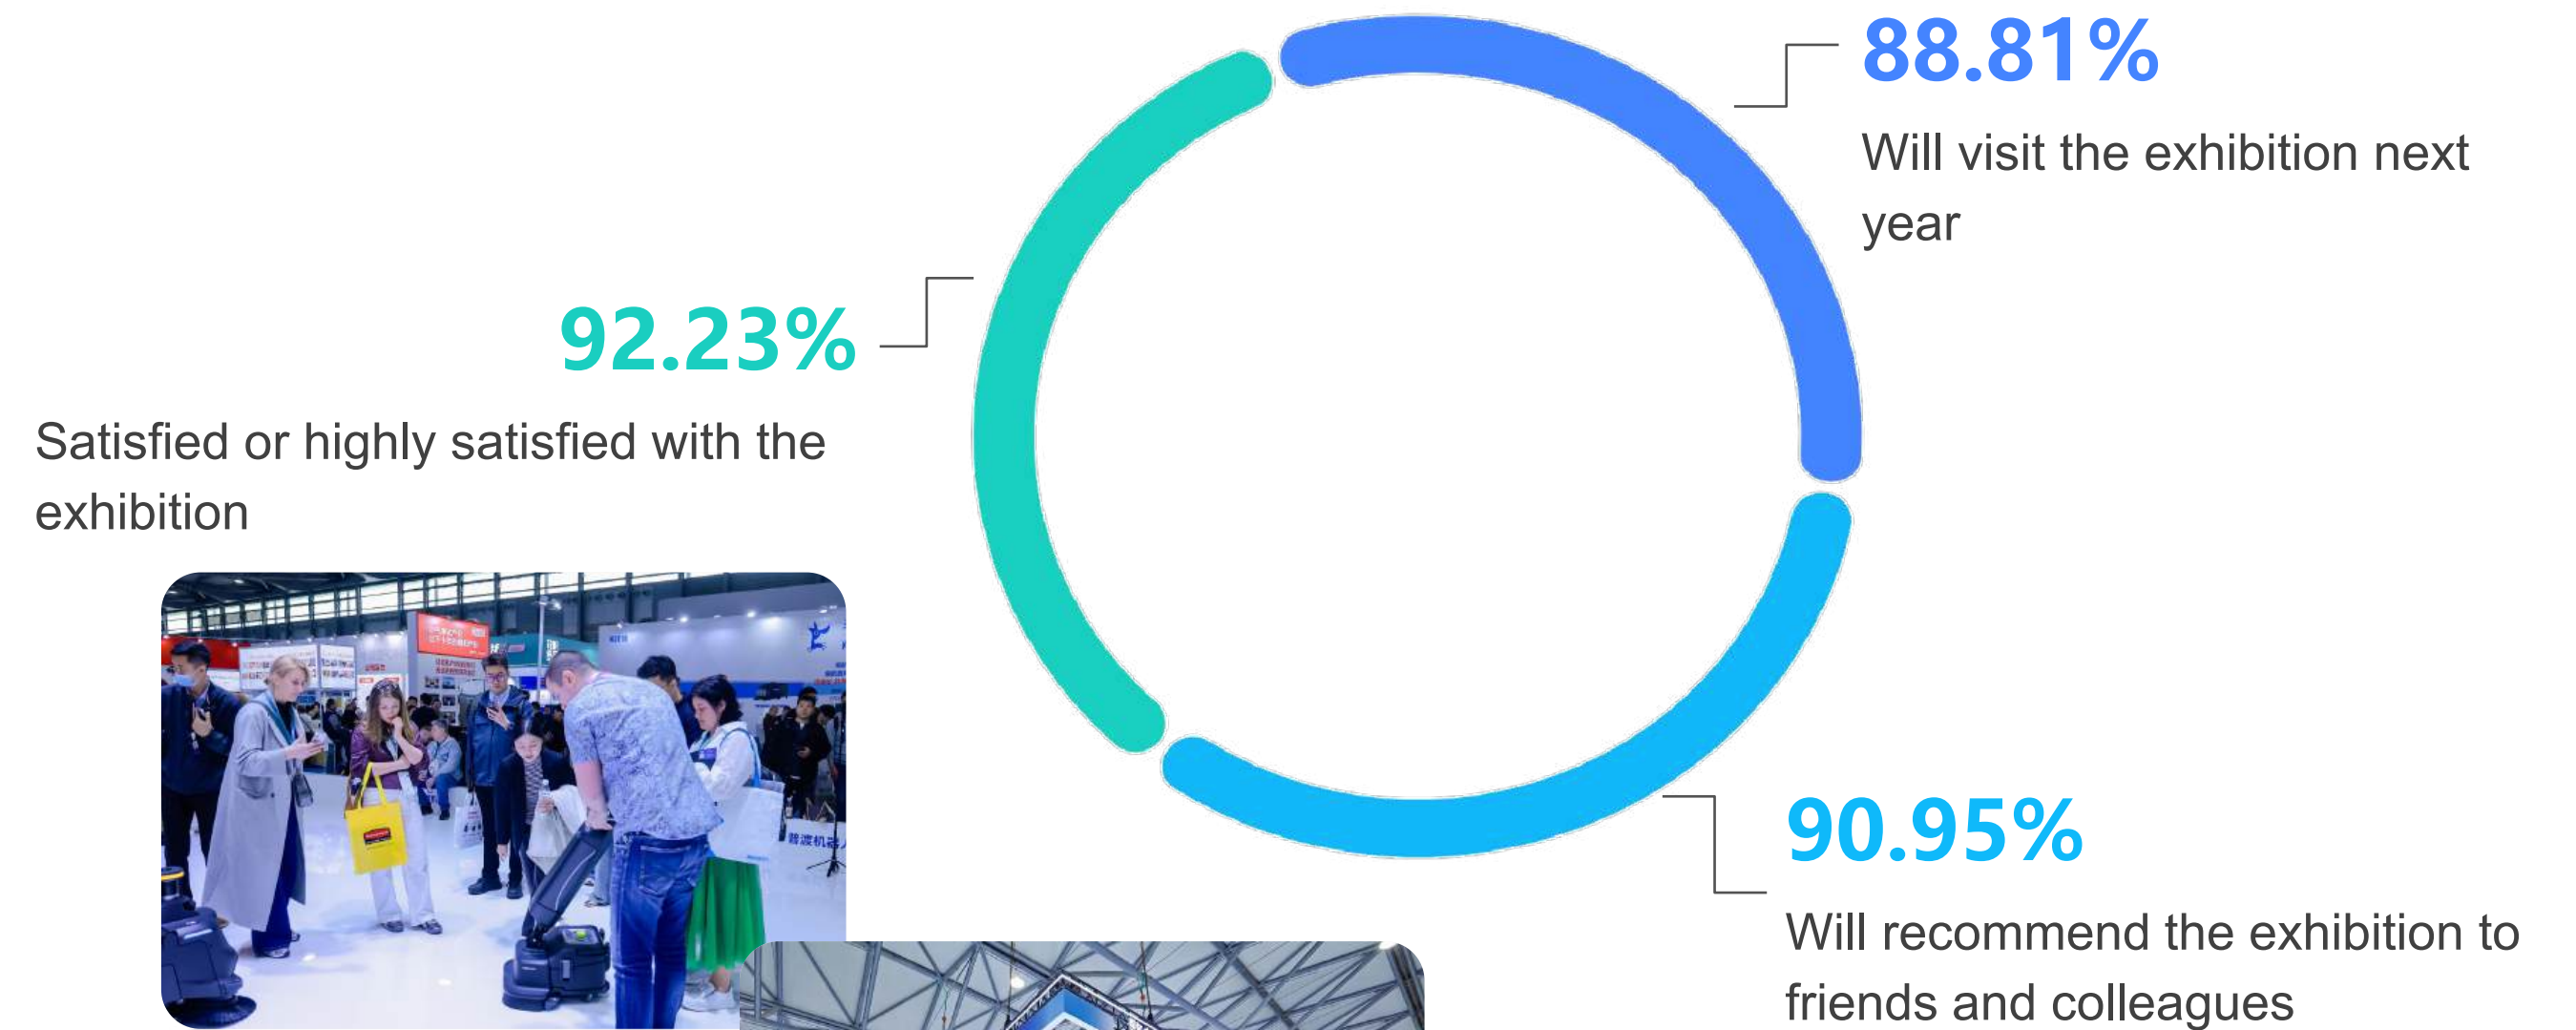

# Visitor Analysis

During the exhibition, professionals from across China gathered at SNIEC. CCE once again served as a bridge for cross-regional collaboration, injecting new vitality into the industry's technological innovation and development. More than just a large gathering, the event earned widespread praise from attendees, solidifying CCE's value as a premier platform and building strong anticipation for the upcoming show.

# Visitor Testimonials

## Vasilieva Elena / CEO / UBIRAI.RF

The scale of this year's CCE Shanghai was truly breathtaking. I was once again deeply impressed to see that the capabilities of Chinese enterprises have made a significant leap over the past year—the equipment has become **far more functional and user-friendly**, with a vast array of high-quality exhibits on display. Although we spent four full days here, time still felt insufficient to explore all the highlights.

## Leyi Hu / Senior Director / CBRE Research Department

I am honored to join the CCE 2026 and connect with industry peers. The event offered a valuable platform for integrating asset management tech and building ecosystems. It was inspiring to witness profound discussions on trends like asset digitalization, ESG, and future office innovations. The collective energy driving industry transformation here is truly remarkable.

## Gennady Dasevich / Director / ARUK Cleaning Association

This marks our third time organizing a delegation to CCE Shanghai, and interest among our members remains high. The exhibition is the premier destination to discover the latest Chinese cleaning technologies, with cleaning robots and facade cleaning drones being particularly eye-catching. Having witnessed multiple procurement contracts signed after each tour, we plan to continue participating. A special thanks to the organizers for their tremendous assistance in arranging business negotiations and factory visits.

## Huabao Zhou/ Chairman / Yiting Property Service Group Co.,Ltd

The 2026 CCE and Property Services Forum offered pragmatic content and deep exchanges, inspiring high-quality industry growth. The "Transparent Commission-based Property Management Model" has successfully demonstrated how to integrate property services with community governance under a Party-building-led framework. As property service providers, we are committed to working with all parties to drive the industry toward greater standardization, transparency, and co-governance during this key period of transformation. Wishing CCE continued success!

# Visitor Testimonials

## Min Zhang / Deputy Director / Guangdong Hongde

Congratulations on a highly successful CCE 2026! Thank you for creating a valuable platform for communication and resource sharing within the property and cleaning sectors. We look forward to using this event as a springboard to strengthen industry ties and achieve both social and economic success.

## Quan Wang/ Deputy General Manager, Beijing Branch, Huamao

I was honored to connect with industry peers at CCE 2026, and it was truly a worthwhile experience. The event accurately captured the industry's status and mapped out a tech-driven path for asset management innovation. The energy on the floor showed that the industry is ready to turn innovation into action. I am confident that together, we can build a smarter, more efficient, and greener future.

## Zhanwei Hou/ Deputy Director of Logistics Support Department / Huashan Hospital Affiliated to Fudan University

I was honored to join the CCE 2026 and the co-located medical forum to discuss the future with our peers. As someone working in hospital logistics, it was inspiring to witness the industry's pragmatic action in creating clean, healthy medical environments through innovation and sustainability. Looking ahead, I hope we can work together to empower hospital logistics with advanced technology, optimize medical spaces, and support the high-quality development of healthcare.

## Xuan Cao / President / Longcheng Service

The CCE show has concluded successfully, showcasing cutting-edge tech and vibrant industry energy. We thank the organizers for this professional platform that broadened our horizons and brought great value. Looking ahead, we are eager to collaborate with partners to drive development through innovation and ensure cleanliness through quality, building a better future together.

# Int'l Cooperation

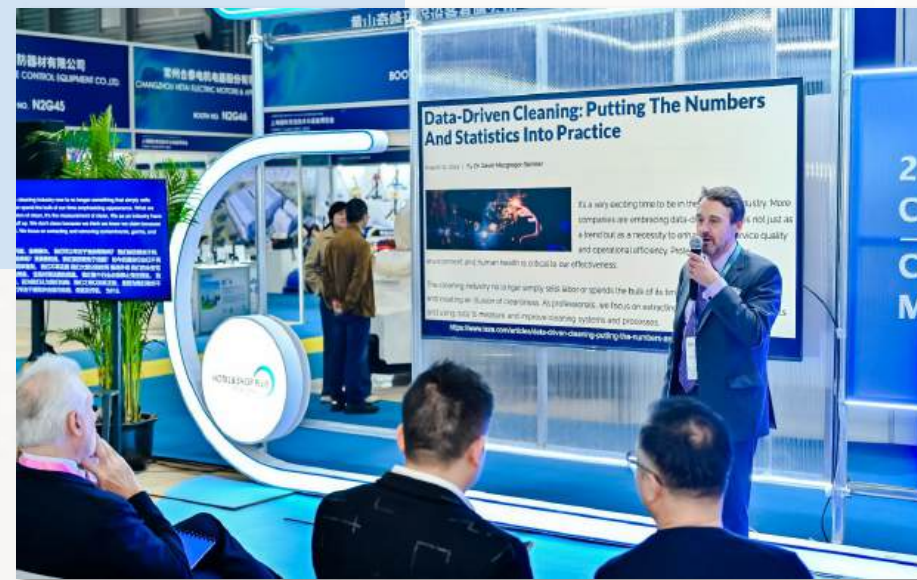

## Global Xchange Hub

In 2026, CCE proudly debuted the Global Xchange Hub, establishing a premier space for **international collaboration, industry insights, and innovation**. The dynamic ecosystem of events fostered impactful idea exchange and business connections, allowing global participants to witness the forefront of the cleaning industry.

**CCE is always a valuable opportunity to understand what will happen.** A sort of journey into the future with the benefit of returning to the past and telling everyone what needs to be done to be ready for change. **The contacts, the relationships and the innovative product offering make this trade fair an unmissable opportunity for those like me who work in this sector.** I extend my compliments to the organization of the fair, to all those who make its realization possible, for the excellent results achieved. For me, these have been four exciting days, full of ideas and inspiration. I can't wait for the next edition to arrive to rediscover the same surprise and the same enthusiasm.

# Forums

## The 2<sup>nd</sup> Forum on Medical Space & Logistics Advancement

**Organizer** Zhuyitai

This forum focuses on **cutting-edge policies and practical exploration, conducts in-depth discussions** on key topics such as the construction of clean hospitals, provides innovative ideas and feasible paths for improving the logistics service capacity of public hospitals, and leads the future development of the industry.

## 2026 Shanghai Urban Environmental Sanitation Summit Forum

**Organizer** STACAES

This forum tracks industry trends, focusing on dual-carbon transition, smart sanitation, and solid waste utilization. It highlights key topics like new energy equipment O&M and intelligent equipment adaptation, offering valuable insights into the industry's innovative development.

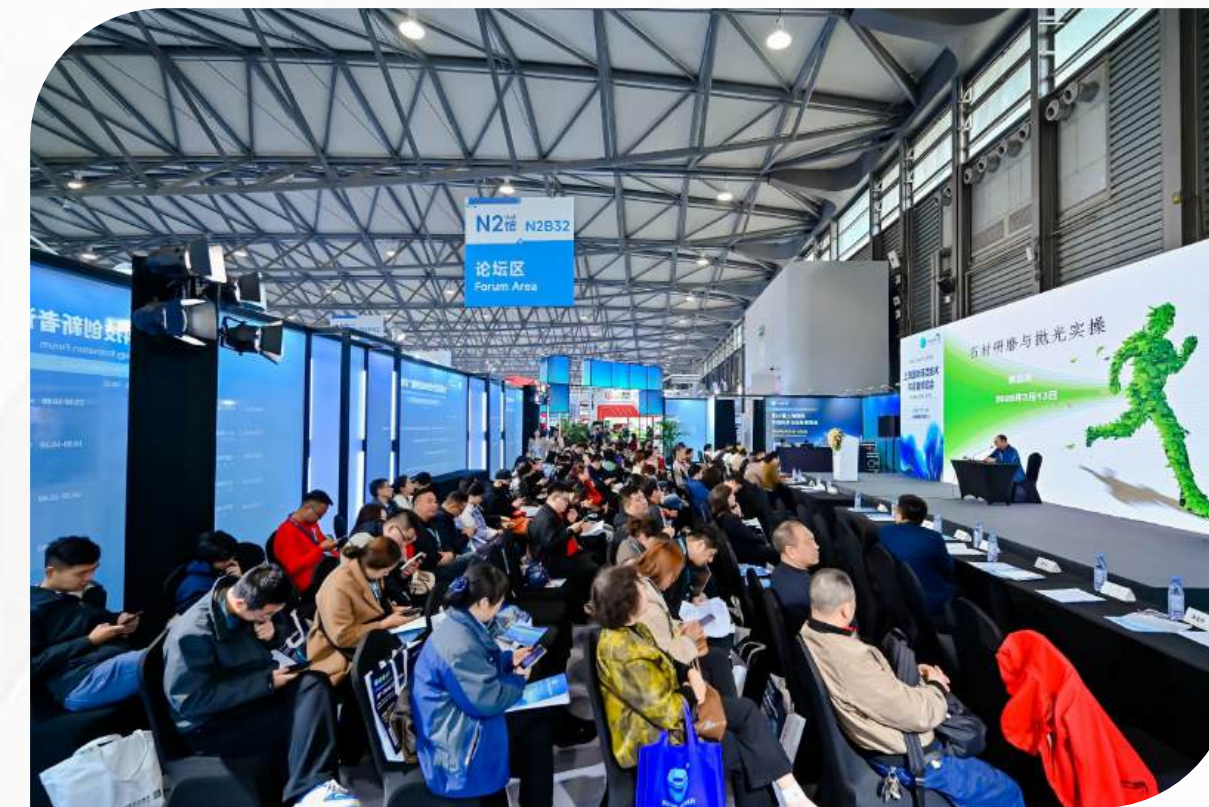

# Forums

## 2026 Contract Cleaning Development Forum

**Organizer** STACAES

Centering on four core dimensions—**intelligent technology empowerment, green and low-carbon transformation, industry ecological innovation, and international trend alignment**—it conducts in-depth discussions on key topics such as the application of AI cleaning systems, the R&D of environmental protection materials, the construction of human-machine collaboration systems, and innovative operation models.

## Campaign for the Promotion of National Cleaning Industry Standards

**Organizer** CCAGM | NCTUFCW, Light Industry & Textile Workers, Tobacco Industry Workers

This event invites industry experts, scholars and enterprise representatives to jointly **explore the application and practical experience of standards in actual operation, share innovative technologies and management models**, and provide strong support for promoting the high-quality development of the cleaning industry.

# Forums

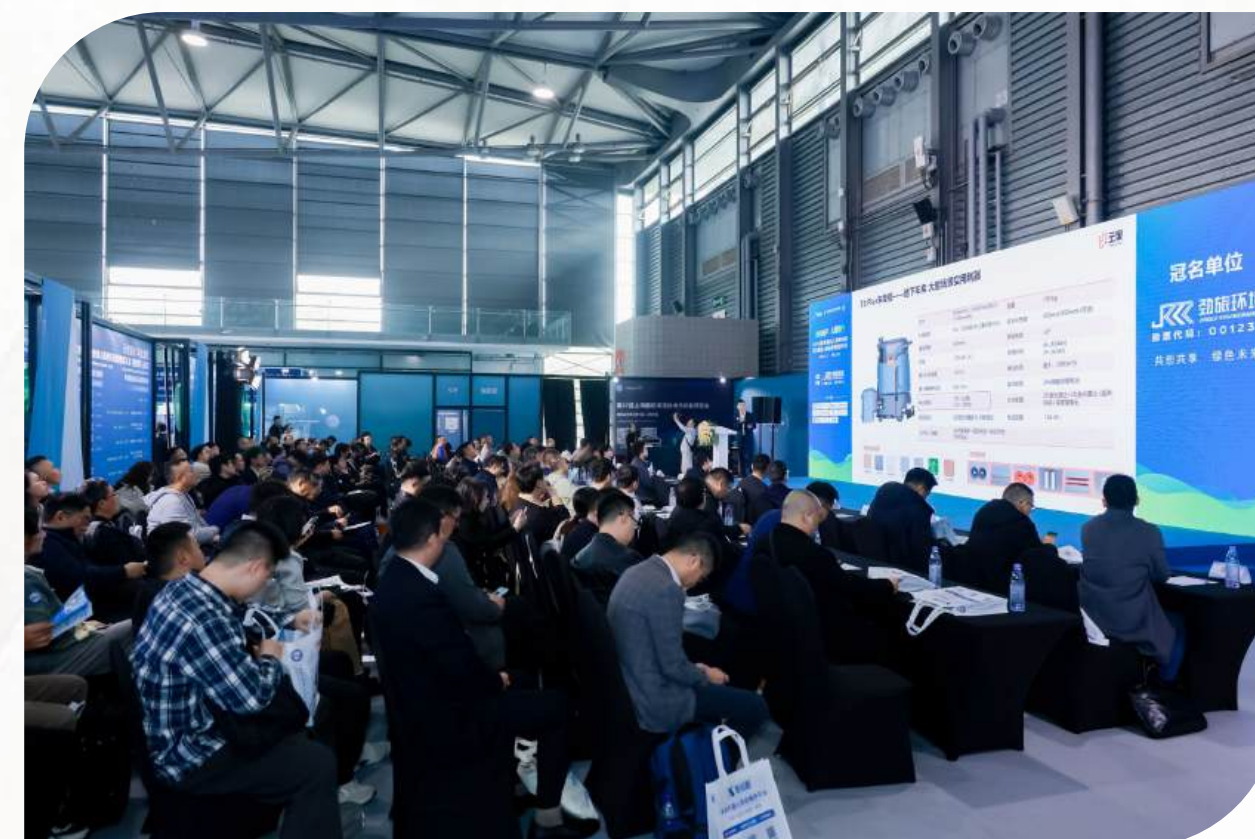

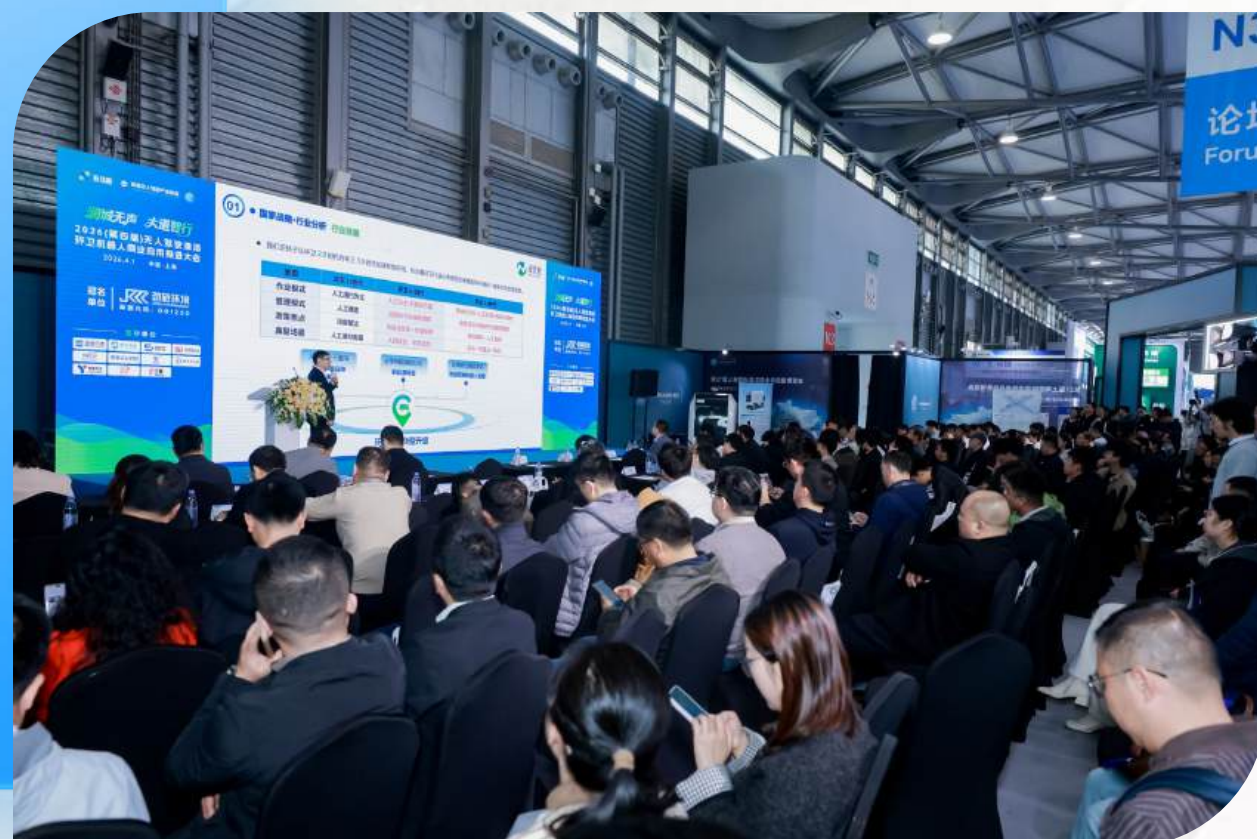

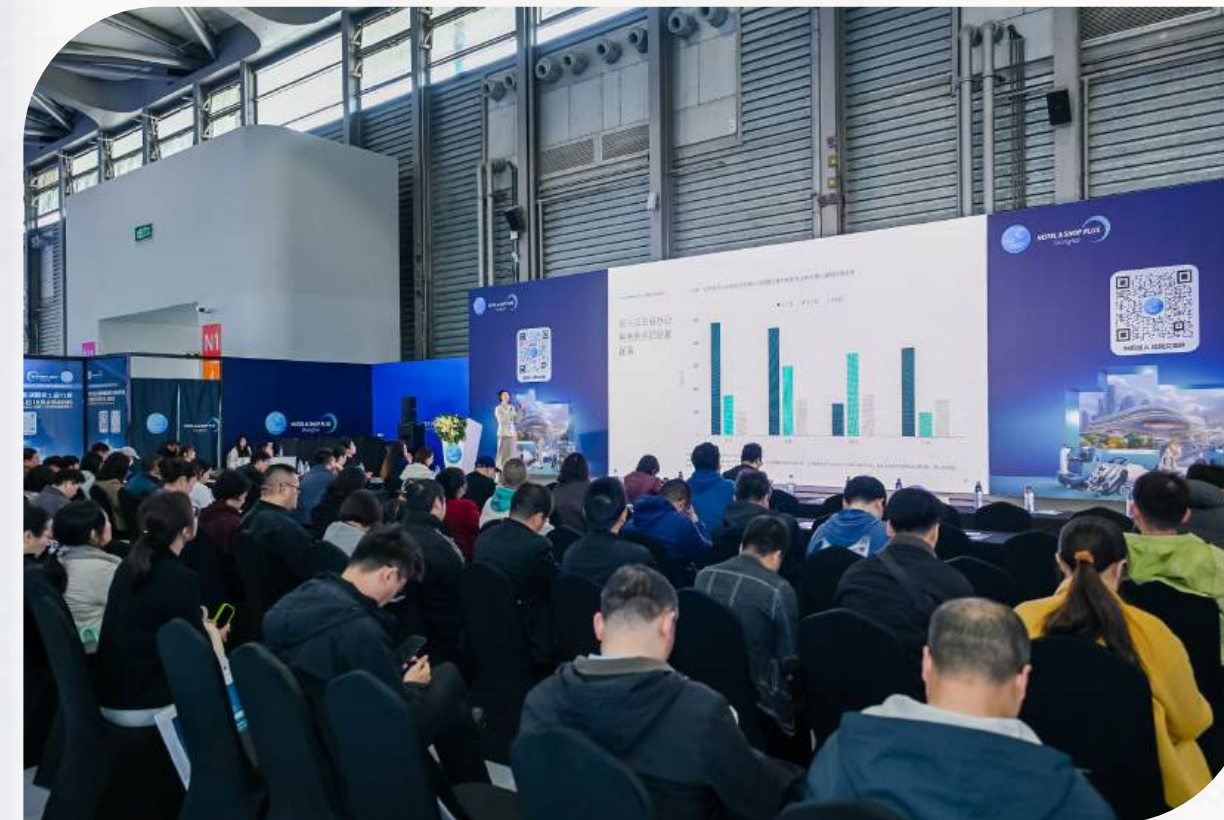

## 2026 CREAM-Technology Innovation Ecosystem Summit

**Organizers** Beijing Galaxy Eye Technology Co., Ltd.

**Special Co-organizer** CCOMI | China Office Network

The forum focuses on the innovative application of cutting-edge technologies in the asset management field, shares practical cases such as **smart buildings, ESG investment and space operation**. Through keynote speeches and roundtable dialogues, it builds an open and shared industry platform, helping China's commercial office asset management move towards a new stage of intelligence and sustainability.

## 2026 Unmanned Cleaning Robot Commercial Application Promotion Conference

**Organizer** Low-Speed Autonomous Driving Industry Alliance

The conference aims to build a platform integrating government, industry, academia, research and application. It sets up two special sessions: **Property Cleaning and Municipal Environmental Sanitation**, corresponding to community park and open road scenarios, to promote collaborative innovation of the industrial chain, accelerate commercialization and industrial ecological construction.

# The 5th National Cleaning & Washing Industry Vocational Skills Competition – Grand Final

Held from April 1 to 2, 2026, the competition brought together over **300** industry elites from **20** provinces and regions. Contestants competed in two categories: General Cleaning and Stone Care. Through a combination of written tests and practical operations, the event comprehensively evaluated their professional expertise and hands-on skills.

- ◆ Xinjiang Uygur Autonomous Region Laundry Industry Association

(Listed in no particular order)

(CLS 2026 partial exhibitors, listed in no particular order)

# Featured Exhibitors

# On-site Events

## The 3rd Enlarged General Meeting of the 9th Session of Shanghai Laundry & Dyeing Industry Association

**Organizer** Shanghai Laundry and Dyeing Industry Association

The conference is held concurrently with the Shanghai International Laundry & Cleaning Exhibition, providing a valuable platform for all member units to communicate, interact, and match resources. It helps member enterprises share industry information, learn from advanced practices, and expand cooperation channels. Rooted in the new landscape of industry development, it integrates high-quality industrial resources, interprets policy orientations, promotes cutting-edge technologies and service models, and supports member enterprises in enhancing their core competitiveness.

## The 7<sup>th</sup> LaundryWorld Commercial Laundry Forum

**Organizers** Laundry World | Sinoexpo Informa Markets

Since 2020, the Forum has been successfully held for six editions, serving as a vital communication platform connecting the laundry industry with hotels and commercial premises. Centering on showcasing **new technologies, new products and new business models**, this event keeps driving innovation and sound development across the whole laundry sector.

# On-site Events

## 2026 World Laundry & Dyeing Congress

**Organizers** Shanghai Laundry and Dyeing Industry Association

The forum focuses on the core development directions of **industrial greening, intelligent upgrading and omni-channel integration**. It gathers global experts, enterprise leaders and industry elites in the laundry and dyeing sector to conduct in-depth discussions on key topics such as hotel textile washing, laundry care technological innovation and the implementation of green washing standards. By integrating international advanced experience and local practical cases, it analyzes breakthrough strategies for segmented sectors, builds a communication and docking platform for the entire industrial chain, and promotes the high-quality transformation and upgrading of the laundry and dyeing industry.

## Seminar Area for Laundry Innovation & Development

**Organizers** Shanghai Laundry and Dyeing Industry Association

Centering on the theme of Avoid Internal Competition, Pursue Innovative Development, the Seminar Area for Laundry Innovation & Development invites **11** industry experts, association leaders and executives of leading enterprises to share insights. Over three days, it **features technical exchanges, trend analysis and experience sharing**, builds a high-end industry dialogue platform, and empowers the high-quality development of the laundry industry with intellectual momentum.

A large blue and white exhibition booth. At the top, it features logos for TOURISM PLUS, H&amp;O P, and HOTEL &amp; SHOP PLUS. The main text in Chinese reads '智慧清洁 清洁工具及用品' and in English 'Smart Cleaning, Cleaning Tools and Supplies'. The booth is located at N3. The background shows a large exhibition hall with other booths and a crowd of people.

**China Clean Expo 2026: Почем 135 000 специалистов едут в Шанхай? Технологии, рынок \$100 млрд и битва роботов-уборщиков!**

Вчера

С 31 марта по 3 апреля 2026 года в Шанхайском Новом Международном Выставочном Центре (SNIEC) пройдет 27-й China Clean Expo (CCE) — крупнейшая выставка клининговой индустрии в Азии. Под колесами «The BIGGEST Cleaning Show in Asia» она соберет лидеров рынка, технологически новаторов и специалистов из 124 стран.

Цифры, которые меняют отрасль:

- Рынок Китая: \$65 млрд (2024) → \$100 млрд к 2027 (рост 10% в год).
- Площадь выставки: 210 000 кв.м в рамках Hotel & Shop Plus.
- Участники 2025 года: 480+ экспонентов, 134 953 посетителя.
- События 2026: 90+ форумов, конкурсов и демонстраций.

«CCE — не просто выставка, а катализатор инноваций. В 2025 году мы увидели взрывной спрос на AI и «зеленые» технологии», — Хелен Лу, директор CCE.
